This is a sample itinerary. Events & their order may be subject to change due to circumstances beyond our control such as the weather.

Day 1: Arrive PARIS Charles De Gaulle (CDG) & Welcome to Paris

Your tour begins as you arrive in the late morning or early afternoon at Charles De Gaulle Airport (or directly at hotel). One of our Tour Manager will greet you at the airport and has organized today's included transfer to our Hotel in the heart of Paris. Get to know the other guests and enjoy a "Welcome to Paris" Cocktail and Canape reception. We'll go over some important information about getting around the city, insider "tips & tricks" and other items to help you feel comfortable in Paris. Afterwards, you can have dinner with your new travel companions or turn in early and recover from the Jet Lag.

Day 2: Let's start slowly and get to know the City

Today the Louvre and Champs Elysees are on the schedule for the whole group. From Mona Lisa to the often called "most beautiful Avenue in the world" you will be able to wander from Art museums to Haute Couture Fashion houses, from Sport Cars exhibitions to sparkling Jewellery stores. Do not forget your camera – photo ops are everywhere! A light lunch will be provided between the 2 locations. This evening we will dine close to the Champs Elysees. **Meals BLD**

Day 3: Monsieur Gustave Eiffel

This morning, your tour manager is presenting you with today's challenge and game rules. Random teams of 4 will be chosen for today's challenge based on the achievements of Gustave Eiffel at the turn of the 20th century. You will discover many "off the beaten path" jewels of the City of Lights. This evening we will gather to take in the view from the second floor of Monsieur Eiffel's most famous landmark. **Meals B**

Day 4: Napoleon Bonaparte

This morning we will see where yesterday's adventure took everyone. New teams of four will be chosen and we will follow in the footsteps of the Emperor Napoleon the 1st who reigned over Europe at the beginning of the 19th Century. He left dozens of monuments, buildings and iconic symbols of that era. We'll meet back up for dinner this evening in the Latin Quarter. An evening in this area would not be complete without a little music at one of the many Jazz cafés. **Meals BD**

Day 5: Les Grands Boulevards:

Today's group the challenges will be around the famous "Grands Boulevards" with the gigantic department stores, the Grevin Wax Museum, the Rex Movie Theatre and the idyllic "secret" passages of the city. **Meals B**

Day 6: Free day or Disneyland Paris or Foodie Tour (+\$ optional)

The day is yours and we hope you will already have made friends to take with you to explore the city. Your Tour Managers will certainly have some interesting ideas of places to visit and you're always welcome to hang out with them. Additionally, we have two optional activities for the day (+\$). You can choose to spend the day at Disneyland Paris, or explore Paris on a walking Foodie Tour. These options will be chosen and purchased in advance and your Tour Managers will assist in getting you where you need to be that day. **Meals B**

Day 7: The Kings Louis

Today we are all going to King Louis XIV's Versailles palace, to enjoy a guided visit. Your group challenges will start just after we return to Paris. Following the theme of the Kings Louis, this afternoon is all about the palaces and landmarks of the different Kings Louis of French history. As is befitting our theme of the day, the famous Bastille will be your last stop as it was theirs. This evening will be our sumptuous farewell dinner in one of the Parisian Cabaret to cap off this tour in style! **Meals BD**
